Pandemic Plan B

Due to the current environment and to ensure everyone is staying safe, it has been decided to cancel the 13th annual 5K fundraiser for 2020.

We are planning a special opportunity for **Sat., Oct. 3rd**, when the traditional 5K would have been held. We are planning to go live on Facebook to connect with the community and supporters. Please stay tuned to Facebook/our website for more details. Get involved and continue to provide financial support for Peter's Place Foundation, NFP.

Now, more than ever, young men struggling with addiction and mental health issues need our help.
